

## Pièces

| Ref      | Designation |                                             |    |
|----------|-------------|---------------------------------------------|----|
| <b>A</b> | TU21131     | GrowStream V2 1M grow canal                 | 2  |
| <b>B</b> | CV21121     | GrowStream V2 1M-5 plants cover             | 2  |
| <b>C</b> | RT11011     | Level tube D50 GrowStream canal             | 2  |
| <b>D</b> | PO01002     | 3" net cup                                  | 10 |
| <b>E</b> | CV91001     | Access hole cap                             | 2  |
| <b>F</b> | RE02106     | GrowStream tank ABS white                   | 1  |
| <b>G</b> | CV00004     | GrowStream tank cover 10 ABS white          | 1  |
| <b>H</b> | PM11050     | 1.0 Syncra pump                             | 1  |
| <b>I</b> | TU21029     | 30x30 white tube 440mm                      | 1  |
| <b>J</b> | TU21027     | 30x30 white tube 314mm                      | 2  |
| <b>K</b> | RA61007     | T insert for 30x30 PVC tube                 | 4  |
| <b>L</b> | AL11024     | Pump connection GrowStream10 V2             | 1  |
| <b>M</b> | EI21034     | PVC tube 30x30x140 + end-cap                | 4  |
| <b>N</b> | FX11010     | 22 - 20.5x23mm clamp                        | 6  |
| <b>O</b> | RA31002     | Ribbed T 20mm                               | 1  |
| <b>P</b> | EI31024     | Manifold elbow connector                    | 2  |
| <b>Q</b> | EI71002     | Black tube 18x22x95mm (manifold tube GS 10) | 2  |
|          | AC01010     | Brush Ø 16x80x300 mm loop Ø 10mm            | 1  |
| <b>R</b> | RA03001     | 3/4 drilled end-cap white PP                | 8  |
| <b>S</b> | JN21012     | Flat O-ring seal 12x24x3mm                  | 4  |
| <b>T</b> | JN21013     | Flat O-ring seal EPDM 3/4                   | 4  |
|          | AC01001     | Draining kit                                | 1  |
