BRINGS MAGIC TO PLANTS  
AND SOIL IN ONE GO

Empowering nature

# Organic DryPart®

## What is it?

Organic DryPart® is a 100% soluble, vegan, complete powder nutrient for use in organic farming.

It is suitable for all types of plants and growing techniques: soil, coconut fiber and hydroponics. An organic nutrient in 2 parts, Grow (Growth) and Bloom (Flowering and fruiting).

- Denser vegetation
- Denser, tastier flowers and fruits
- Improved fragrance
- Maximum yield

## Why use it?

- Nourishes the soil at the same time as the plant.
- Easy to transport and use thanks to its powder form.
- Total solubility, ideal for all irrigation systems, including drip irrigation.
